## NOTICE UNDER 37 CFR 1.205(c)

Pursuant to the provisions of 37 CFR 1.205(c), you are hereby notified that at least one claim from your above-identified patent has been copied by an applicant for purposes of interference. According to this regulation, the identity of the applicant who copied the claim(s) will not be disclosed unless and until an interference is declared.

Once a decision is made as to the propriety of an interference, notification will be made either by a declaration of interference notice from the interference examiner under 37 CFR 1.207(b) or a notice that no interference will be declared under 37 CFR 1.205(c).

By

Linda M. Feducia, Secretary  
Patent Examining Group 120

Pursuant to the provisions of 37 CFR 1.205(c), you are hereby notified that a final decision has been made not to declare an interference.
